## FPSCC 2009 Annual State Conference & Dr. Carlo Rodriguez Champion of School Choice Summit

The Florida Public School Choice Consortium (FPSCC) is celebrating its 5th year with the inauguration of the Dr. Carlo Rodriguez Champion of School Choice Summit. Prior to his untimely passing in 2007, Dr. Rodriguez served as Executive Director of The Office of Independent Education and Parental Choice for the Florida Department of Education (FDOE). During his brief tenure with the department, Dr. Rodriguez envisioned the establishment of an annual, statewide summit which would encompass ALL aspects of the school choice in Florida. This year, the FPSCC is proud to make Dr. Rodriguez's vision a reality with the **Dr. Carlo Rodriguez Champion of School Choice Summit**.

In collaboration with the annual statewide charter school conference, FPSCC presents a one day School Choice Summit that will be held on November 18, 2009 at the Doubletree at Universal in Orlando. The program will include a luncheon and keynote by T. Willard Fair, State Board Chair, and other guest speakers. There will also be panels and round tables sessions with FDOE representatives and other experts and leaders in all areas of School Choice including, but not limited to: Home school, Virtual School, Private School, Charter School, McKay Scholarships, Tax Credit Scholarships, Career Academies, Title 1, and more! We will even have an informational session about the new stimulus money coming through the pipelines to Florida.

The second day of the conference will be dedicated to the Florida Voluntary Public School Choice program grant implementation for the third year of its operation and will take place at Nova Southeastern University's Student Educational Center near the Millenia Mall at 4850 Millenia Blvd. Orlando, FL 32839.
