Career Academy Showcase

2010

Palm Beach County, Florida

April 19-21, 2010

You are invited to join the Career Education Team as we showcase our nationally recognized Career Academies in twelve high schools in Palm Beach County, Florida. The following twelve schools received recognition from the National Career Academy Coalition and the Association for Career and Technical Education for their exemplary career academy programs.

Atlantic Community High School's Criminal Justice Academy earned a national recognition. This academy demonstrates the power of collaboration between the School District and the community. All Criminal Justice Academy instructors are industry certified police officers.

www.palmbeach.k12.fl.us/AtlanticHS

Forest Hill Community High School was recognized for their Environmental Science and Technology Career Academy. This academy offers students an innovative and collaborative approach to environmental careers. All students are involved in a learning-through-discovery approach, developing research and thinking skills.

www.palmbeach.k12.fl.us/foresthillhs

Inlet Grove Community High School recently received national recognition for their Architectural Drafting and Commercial Arts academies. Inlet Grove is a career oriented charter high school that focuses on both academics and career training.

www.palmbeach.k12.fl.us/InletGroveHS

John I. Leonard High School earned national recognition for their Computer Science Academy. Chosen by the state in 1988 as a Model Technology School, this academy provides a career and college preparatory curriculum to students interested in a variety of fields within computer education.

Palm Beach Central High School was nationally recognized for their Culinary Arts Career Academy. Students in this academy move through Culinary Operations 1,2,3 and 4 and gain knowledge in culinary arts and food service management. Students can be certified by national organizations such as The National Restaurant Association, with a Pro Start certificate, ServeSafe certificate, membership in the American Culinary Federation and the National Technical Honor Society.

<http://www.palmbeach.k12.fl.us/palmbeachcentralhs>

Palm Beach Gardens Community High School was nationally recognized for the Tourism, Hospitality and Resort Management Career Academy. This academy of over 550 schools nationwide promotes educational excellence by the National Academy Foundation. This college preparatory program integrates unique high school courses with practical work experience in the field.

<http://www.palmbeachgardenshs.org>

Palm Beach Lakes Community High School's Medical Sciences Academy was nationally recognized for their four-year program that enables students to have access to a positive learning environment that provides them with the medical skills and training necessary to succeed in college and the work environment. Students can specialize in Allied Health Assisting (Sports Medicine), Pharmacy Technician, Nursing Assistant and Practical Nursing. After completing clinical rotations, students can exit as seniors with certifications in Basic Life Support, Dental Assisting, Pharmacy Technician, Nursing Assistant and Practical Nursing.

Seminole Ridge Community High School is one of the newest high schools to be nationally recognized for their successful Construction Academy. This program focuses on broad transferable skills and stresses the understanding of all aspects and elements of the building construction industry. Training occurs in the classroom, lab and on actual job sites.

<http://www.palmbeach.k12.fl.us/seminoleridgehs>

South Tech Academy is one of the newest high schools to be nationally recognized for their Culinary Arts and Medical Sciences Academy. These academies within this charter school focus on broad transferable skills and stresses the understanding of all aspects and elements of the culinary and medical industry.

<http://www.southtechacademy.com>

West Boca Raton Community High School has been nationally recognized for their Culinary Arts Academy. Students in this academy move through Culinary Operations 1,2,3 and 4 and gain knowledge in culinary arts and food service management. The Pro Start curriculum is utilized and is supplemented by hands-on experiences, mentoring and demonstrations by visiting chefs on a regular basis. Students can be certified by national organizations such as The National Restaurant Association, with a Pro Start certificate, ServeSafe certificate, membership in the American Culinary Federation and the National Technical Honor Society.
